DURHAM CULTURAL ROADMAP

Resources About Gallery Focus Groups

Dear Community Members

As part of the [Durham Cultural Roadmap](#) planning process, the City of Durham and Durham County have hired **MJR Partners** to better understand what the arts and culture community needs. This next step, called Phase II, builds on ideas and feedback gathered in [Phase I](#).

We at **MJR Partners** will work closely with community members, the Durham Cultural Advisory Board, and the Cultural Roadmap Planning Group. Together, we'll help shape a cultural plan for Durham's future.
